Name of the Activity: Awareness Programme on Gender Equality (08.03.2022 and 09.03.2022 organized by NSS in collaboration with Sobar Poth (NGO)

Date: 8.3.2022 and 9.3.2022

Time: 1pm

Venue- PCMM college Premises Room no 15

Objective of the event-

1. To generate as well as increase awareness about gender issues.
2. To create an awareness regarding the concept of women empowerment and gender equality among the student fraternity and faculty community.

Details of the event

The NSS unit of the college, in association with The Internal Quality Assurance Cell and NGO Sobar Poth, organized a programme on 9th March, in room no. 15, 1 pm onwards, to commemorate International Women's Day. The event was inaugurated through a welcome address by Dr. Parthasarathi Dutta, Teacher In Charge of PCMM. His eloquent address highlighted the relevance of the day. This was followed by a dance recital performed by Trinayani Mazumdar, Semester II student of PCMM. Ms. Monolina Seth, SACT, Department of Sociology (invitee member of the Gender Equity Cell) introduced the members of the NGO Sobar Poth, and they were felicitated by Dr. Somdatta Ghosh Kar, Associate Professor, Department of Bengali. The members of Sobar Poth shared their views and some of their experiences and activities with us, and after that they enacted a short play based on the theme of women empowerment. The concluding speech was delivered by Sagar Mazumder, student representative of PCMM. The programme came to an end with a vote of thanks by the honorable IQAC Coordinator, Dr. Alpana Ray. The entire programme was conducted by Dr. Uttara Kundu Chowdhury, SACT, Department of Bengali. Seventy number of students and forty teachers participated in the programme.

No. of Volunteers : 93

Beneficiaries served: Community People

Outcome of the Event: The skit performed by Sobar Path helped to generate the idea that the society is becoming aware of the gender related issues and the need for gender equality is becoming more important.

Name of the activity: Extension Activity at Old Age Home organized by NSS with Shantineer Old Age Home

Date: 5.4.2022

Time: 12 pm

Venue- Shantineer Old Age Home

Objective of the event-

1. To create an awareness among the elderly people of the community regarding healthy dietary habits.
2. To conduct a health related survey and health check ups for geriatric community.

Details of the event

The NSS unit of PCMM and the Department of Food and Nutrition visited Shantineer, an old age home located at Subhash Pally, Baranagar on 5th April (Tuesday) 2022. The programme started with a welcome address by Dr Tanima Paul Das, Assistant Professor, Department of Food and Nutrition. In her address she highlighted the objectives of the visit. This was followed by Rabindra Sangeet and dance performed by the students of the Department of Food and Nutrition. Dr. Guddi Tiwary, SACT, Department of Food and Nutrition then explained the healthy food habits and diet control for the elderly. The NSS volunteers conducted a small survey to gather health-related data from the elderly. They also engaged the elderly inmates of the old age home in various activities like ludo and passing the ball. Fruit hampers were distributed among the elderly inmates. In this programme eight (8) members of N.S.S subcommittee and 75 N.S.S volunteers were present.

No. of Volunteers- 75

Beneficiaries served- Elderly population of the community

Outcome of the event- The event conducted has helped the elderly people of the community to gain an understanding regarding the dietary practices as well as to clarify their queries regarding dietary issues. The event most importantly carried the message of how to have a good control of health through adopting better food practices at this stage of life.

Name of the Activity: Drive For Plastic Free Campus organized by NSS

Date- 21.4.2022

Time- 2pm

Venue- PCMM campus

Objective of the event

1. To create an awareness regarding the harmful effects of plastic.
2. To help in creating a pollution free environment.

Details of the event

The NSS unit of PCMM organized a “Drive for Plastic Free Campus” on the occasion of World Earth Day celebrations on 21st April (Thursday) 2022. In this programme our main slogan was “SAY NO TO PLASTIC” and creating awareness among students about the harmful effect of plastic on our environment. Students were encouraged to refrain from using non recyclable plastic in their daily lives. In this campaign 88 N.S.S volunteers with eight teachers collected unusable plastic from within the college campus. Three faculty members from the Department of Geography and the NSS Program Officer facilitated the drive.

No. of volunteers- 88

Beneficiaries of the event- Community People

Outcome of the event- The programme eventually has helped to create an awareness regarding the importance of sustainable environment as well as decreasing the chances of environmental health risks from plastic pollution.

Name of the activity: Thalassemia Awareness organized by NSS

Date-12.5.2022

Time- 1pm

Venue- Google meet

Objectives of the event-

1. To create awareness regarding myths associated with thalasaemia.
2. To help the students understand about the symptoms of the diseases and the ways to live with it.

Details of the event

The NSS unit and Internal Quality Assurance Cell of Prasanta Chandra Mahalanobis Mahavidyalaya jointly organized an awareness programme on Thalassemia- a step toward better health. This awareness programme was held on 12th May 2022 at 1 pm in an online platform through Google meet. Dr. Amarnath Chakraborty was invited to deliver a lecture on spreading awareness about Thalassemia and he actively debunked certain myths associated with this disease. This program was very beneficial for students as they gained valuable information about Thalassemia.

No. of Participants-25 faculty members and 60 students participated in this awareness programme.

Beneficiaries of the event-Students

Outcome of the event- The awareness programme has helped the students to know all the medical facts related to thalasaemia as well as the types and severity of this disorder.
